January 11-12 Review Days

Block (review): Build in asynchronous break times into your schedule. Keep with 45 minute max for sync learning.

Options to consider (use the time how it best suits your review sessions):

- 45-minute synchronous session with 45-minute asynchronous session each review day
- 20- or 25-minute synchronous sessions at the beginning and end of each review day with a 45-minute asynchronous session in between
- Alternate 15-minute synchronous and asynchronous sessions for the block on each review day

***If a block student is exempt from the block exam, the student is also exempt from the review on 1/11 and 1/12. PLEASE MARK THEM "PRESENT."**
